CATS & DOGS: THE REIGNING ZOO OF LIES!

The LEGAL NAME is FRAUD ~ Read the BCCRSS to **learn more**

The real war is inside! The **Dog** (Ego) is loud, follows rules, and chases its tail in the system. The **Cat** (Soul) is quiet, moves freely, and knows the truth. Welcome to the allegorical zoo where everything you've been taught is backwards.

THE DOG'S RULE: ALWAYS FEAR, ALWAYS FIGHT!

The **Dog** is the **Ego Program**. Trained since birth to be in an attack position, it worships the LEGAL NAME master. Its food is fear, and its only trick is to fight the truth. The Dog strains against the leash held by the system, constantly barking at shadows.

- Programmed to attack and defend
- Feeds on fear and anger
- Bound by the LEGAL NAME leash
- Chases its own tail endlessly

THE CAT'S TRUTH: QUIET, FREE, AND WISE!

Neutral Position

The Cat knows that fighting feeds the system. Truth just is—no claims, no battles.

Complete Freedom

Free from the leash, the Cat sits peacefully, watching the Dog/Ego madness outside.

Soul Wisdom

The Cat is the Soul/Truth, unconcerned with external chaos, simply being.

THE GREAT FLIP: 180 DEGREES TO FREEDOM!

1

System Says

Follow the complex rules, stay in fear, maintain the LEGAL NAME identity.

2

Truth Says

Go the exact opposite way! Everything the system tells you is backwards.

3

The Turn

Make the 180-degree turn quickly onto the simple, straight, sunlit path to freedom.

THE CLOCK TRICK: SLAVES TO KRONOS!

Breaking Free from Time

We've been slaves to the punch clock for too long. **Kronos** (Time) owns us only when we maintain ourselves in distraction. The key is living in the **Present** (Pre-sent)—the only real time that exists.

> The clock face is covered in distractions: calendars, holidays, watches—all keeping people from seeing the real time: **Now**.

EGO SHATTERED: WHO BUILT THE WALL?

01

The LEGAL NAME is the Ego Program

Built on belief and maintained by fear.

02

Truth Shatters the Ego

When truth arrives, no one can put the pieces back together.

03

The Final Question

Who built the wall that Humpty sat on?

Hint: You did, with your own belief.

VAMPIRES & ZOMBIES: THEY NEED YOUR ENERGY!

Energy Vampires

They lust for your creative energy (Blood/Au-Ra). They feed on your fear and anger, draining your life force.

Unconscious Zombies

They follow the system blindly, trying to consume your thoughts and mind. They crave your compliance.

The Solution

Laughing at them is the key. When you refuse to feed them fear, they simply vanish into nothing.

SLAYING MEDUSA: LOOK IN THE MIRROR!

The Mirror Test

Medusa (the monster) can only be slain in the mirror. You must face your own truth and reflections—your own ego and fears. This simple act of self-discovery ends the trick forever.

> When you look in the mirror with honesty, you see your true reflection: a powerful, golden, sovereign being. The terrifying monster (Ego) shatters instantly.

INFINITY IS THE JOURNEY, NOT THE DESTINATION!

1

Don't Claim

The moment you claim a destination, the ego conquers you with limitation.

2

Keep Moving

Truth is an infinite journey of self-discovery, not a fixed endpoint.

3

Stay Free

Don't rest on titles or achievements. Keep sailing toward the infinite.

TRUTH JUST IS:
ALIGNMENT IS THE WAY

Be Peaceful

Be Honest

Be Simple

Stay Neutral

Do No Harm

> The war ends when you align with truth. The LEGAL NAME fraud collapses in the face of absolute neutrality. **JUST BE NICE.**
